# Santa Paws Box for a Brakkie

By putting together a BOX FOR A BRAK this Christmas you can make a St Bernard size difference in a township animals life. Wrap a box (of any size you like) and fill it with all things doggy!

### SOME IDEAS ARE:

- Flea and tick shampoo / drops / powder (Frontline/Advantage are high on our wish list!)
- Blankets (fleece blankies are easy to clean and quick to dry)
- Food (Good quality Vet food goes along way in healing our sick doggies)
- Leashes / Collars / Harnesses
- Bowls
- Deworming tablets
- Doggy Treats
- Monetary Donations

Come along to our African Tails Christmas Day at the Century City Natural Goods Market (with your fury friends of course!), drop off your brakkie box and help spread the Christmas cheer! There will be a real Santa Paws to entertain the kiddies and lots of home seeking hounds who have A FAMILY written on the top of their Christmas wish list.
